

# AWNING/MARINE GRADE WARRANTY

Tempotest® fabrics offer the industry's most complete warranty. Tempotest Awning and Marine Grade Fabrics are protected by our 10-year limited warranty which exclusively covers abnormal and excessive color degradation and loss of sun screening capability due to normal sun, salt and weather exposure. This does not include damage due to circumstances beyond one's control (e.g., fire, flood, air pollution), damage caused by mechanical actions, abuse or improper installation. This warranty also does not cover normal care and cleaning, or the costs associated with replacement of the fabric, including labor and installation, except as noted in this warranty.

If our Tempotest® fabrics do not meet the performance outlined above, Pará will resolve the issue for approved claims as outlined below:

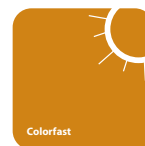

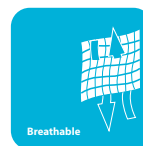

**10-YEAR**

**LIMITED WARRANTY (with labor)**

- *After 5 years of purchase* – Fabric replacement
